### An Innovation in Oil Heaters

The Perfection Smokeless Oil Heater, with its drums enameled in turquoise, is an ornament to any room, whether in the country or city home.

No home is quite complete without a Perfection Oil Heater. It is a necessity in the fall and spring, when it is too warm to start the regular heating apparatus, and too cool to be without heat. In the midst of winter it is often convenient as an auxiliary heater, as there are always some cold corners in a house.

The enameled heater always presents a nice appearance, as the enamel will not tarnish or burn off. It is not an "enamel paint," but it is the same as the enamel of your cooking utensils.

The Perfection is the most reliable and convenient portable heating device you can find. An automatically-locking flame spreader prevents turning the wick high enough to smoke

These cover the first six months in 1911, and show an excess of deaths over births of 18,279. The figures are all the more discouraging from the fact that in the same period in 1910 the births exceeded the deaths by 21,189. Many People Who Think They Are Dyspeptics Need Only to Have Their Digestive Apparatus Toned Up.

Much of the dieting and treatment for stomach trouble is worse than the disease and often aggravates it.

Tone up the stomach to do its part rather than cut down the diet to suit a weak stomach. Reduced nourishment means reduced strength for the entire system including the stomach. To re-store the weak stomach to strength and health, it must be supplied with plenty of pure, red blood, for every act of

digostion needs beauthy blood.

Dr. Williams' Pink Pills for Pale
People meet all the requirements of a
good tonic for the stomach because they are an unequalled blood-builder. The pure, rich blood which they make stimulates and increases the flow of the digestive fluids, removes any irritability of the stomach, soothes and strengthens the nerves, and supplies the stomach with the needed strength.

Mr. Howard S. Urban, a blacksmith, of Wrightsville, York Co., Pa., who was cured by Dr. Williams' Pink Pills for

Pale People, says:
"Some time ago I began to be troubled with indigestion and my stomach became so weak that I frequently had to vomit after eating. Food felt like a dead weight in my stomach and would ferment, causing gas to form. I was troubled with dizziness and when I straightened up suddenly after bending over, I would see black specks before my eyes.
"I was under a doctor's care more or

less of the time for six months but he failed to cure me. I read about Dr. Williams' Pink Pills for Pale People in a book and concluded to try them. I used several boxes of the pills, as they helped me from the first, and was completely cured."

For a more complete explanation of the use of Dr. Williams' Pink Pills in stomach troubles, send today for a free copy of our booklet, "What to Eat and How to Eat."

Dr. Williams' Pink Pills should also be used in amemia, rheumatism, nervousness and sciatica because of their

power to make rich, new blood. Dr. Williams' Pink Pills are for sale by all druggists, or will be sent, post-paid, on receipt of price, 50 cents per box; six boxes for \$2.50, by the Dr. Williams Medicine Co., Schenectady, N. Y.

### Woman's Power Over Man

Woman's most glorious endowment is the power to awaken and hold the pure and honest love of a worthy man. When she loses it and still loves on, no one in the wide world can know the heart agony she endures. The woman who suffers from weakness and derangement of her special womanly organism soon loses the power to sway the heart of a man. Her general health suffers and she loses her good looks, her attractiveness, her amiability

and her power and prestige as a woman. Dr. R.V. Pierce, of Buffalo, N.Y., with the assistance of his staff of able physicians, has prescribed for and cured many thousands of women. He has devised a successful remedy for woman's ailments. It is known as Dr. Pierce's Favorite Prescription. It is a positive specific for the weaknesses and disorders peculiar to women. It purifies, regulates, strengthens and heals. Medicine dealers sell it. No honest dealer will advise you to accept a substitute in order to make a little larger profit.
